

International Student Studying in the UK Insurance

Before you arrive in the UK, we **strongly recommend that you take out insurance** for your own financial and personal security.

You can take out your own insurance or take out the **International Student Policy** offered by Endsleigh Insurance Services Limited which has been **specially designed** for overseas students studying in the UK.

The International Student Policy covers:

- emergency medical expenses
- repatriation
- cancellation or curtailment charges
- baggage
- personal money, passport and documents
- course fees
- personal liability
- legal expenses

Please read the **International Student Policy** in order to establish the full terms of the cover, which is available through the link at the bottom of the page.

NB It is advisable to take out your student insurance at the time of booking your trip as cover will commence for pre-departure cancellation from the policy issue date. This will, therefore, provide cover should you have to cancel your course for an insured reason such as illness or serious accident preventing you from travelling.
